

## **MINERALS INDUSTRY STUDENT RESEARCH SCHOLARSHIPS**

The Australasian Institute of Mining and Metallurgy, New Zealand Branch has established the Education Endowment Trust. One of its purposes is to assist students' study related to minerals, mining and resource-related environmental fields. Since 2000 the trust has awarded more than 60 research scholarships to students in New Zealand.

The Trust is now inviting applications for a number of scholarships to be awarded in 2011 to students undertaking research in 2012 in geology, engineering or the environment that is related to the minerals and coal industries.

Send your application to:
